This volume constitutes the proceedings of the first conference RFMAO-05 which was organized in honor of Professor Marc ATTEIA. The conference took place in 19-20-21 September 2005 at the Faculty of Sciences of Rabat. The aim of this meeting was to bring together Moroccan and French researchers, to discuss and exchange ideas, methods and results in Approximation, Optimization, also in Numerical Analysis and Engineering and related disciplines, ranging from theoretical developments to industrial applications and modelling of problems. Our heartfelt thanks go to our colleagues

- Mohammed-Najib BENBOURHIM (Université Paul Sabatier, Toulouse, France).
- Rachid ELLAIA (Ecole Mohammadia d'Ingénieurs, Rabat, Maroc).
- Lahcen GHANNAM (Université Paul Sabatier, Toulouse, France).
- Abdelhak HASSOUNI (Faculté des Sciences, Rabat, Maroc).
- Azzedine ISMAIL (Ecole Hassania des Travaux Publics, Casablanca, Maroc).
- Khalil NAJIB (Ecole Nationale de l'Industrie Minérale, Rabat, Maroc).

who contributed to the organization and success of the meeting. The organization of the meeting and the publication of this volume were made possible by the help and contributions of several institutions. We thank the "Institut de Mathématiques de Toulouse (IMT)" for their grant which has allowed the on-line publication of these proceedings.

We would like to particularly thank the following institutions for their financial or material support:

- **Université Mohammed V, Rabat, Maroc.**
- **Faculté des Sciences, Rabat, Maroc.**
- **Ecole Hassania des Travaux Publics, Casablanca, Maroc.**
- **Ecole Mohammadia d'Ingénieurs, Rabat, Maroc.**
- **Ecole Nationale de l'Industrie Minérale, Rabat, Maroc.**
- **Centre National de Recherche Scientifique et Technique, Maroc.**
- **Ambassade de France au Maroc.**
- **Université Paul Sabatier, Toulouse, France.**
- **AFA-SMAI, France.**
- **Institut de Mathématiques de Toulouse (IMT), France.**
- **Agence Universitaire de Francophonie (AUF), France.**
- **IUT Paul Sabatier, Département Informatique, Toulouse, France.**
- **IREM, Toulouse, France.**

We would like to thank the authors for their scientific contributions. We also thank the referees for their very helpful reports and comments. Finally, we want to express our thanks to all participants of the meeting, who made it pleasant and, we hope, useful.
